

Areas to investigate

KS2 progress

- There were no meaningful trends or differences for this measure.

KS2 attainment

- In 2018, reading and mathematics attainment of the expected standard was at or above national for prior attainment groups: middle, high.
- In 2018, writing attainment of the expected standard was at or above national for the high prior attainment group.
- In 2018, 71% of pupils achieved the expected standard in reading, writing and mathematics, 7 percentage points above the national proportion. This difference was not statistically significant.

KS1 attainment

- There were no meaningful trends or differences for this measure.

Phonics in 2018

- There were no meaningful trends or differences for this measure.

Behaviour

- There were no permanent exclusions in the last three years. The national average in each of these years was zero.
- In 2016/17, there were no fixed term exclusions. The national average rate for schools with a similar level of deprivation was 0.70%. In 2016/17, there were no repeat exclusions. The national average rate for schools with a similar level of deprivation was 0.33%.

Notes: Statistical significance for disadvantaged pupils is against the national for other pupils. Change in methodology or calculations is indicated by a dotted line. Quintiles for 2018 are based on adjusted progress scores Previous years are based on unadjusted. Significance is only flagged for cohorts greater than 10. For cohorts of 10 or less information is greyed out. For further information on methodology see

Reading scaled scores 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

— National level — Not achieved expected standard — Achieved expected standard

Cohort = 49 One pupil relates to 2.0 percentage points.

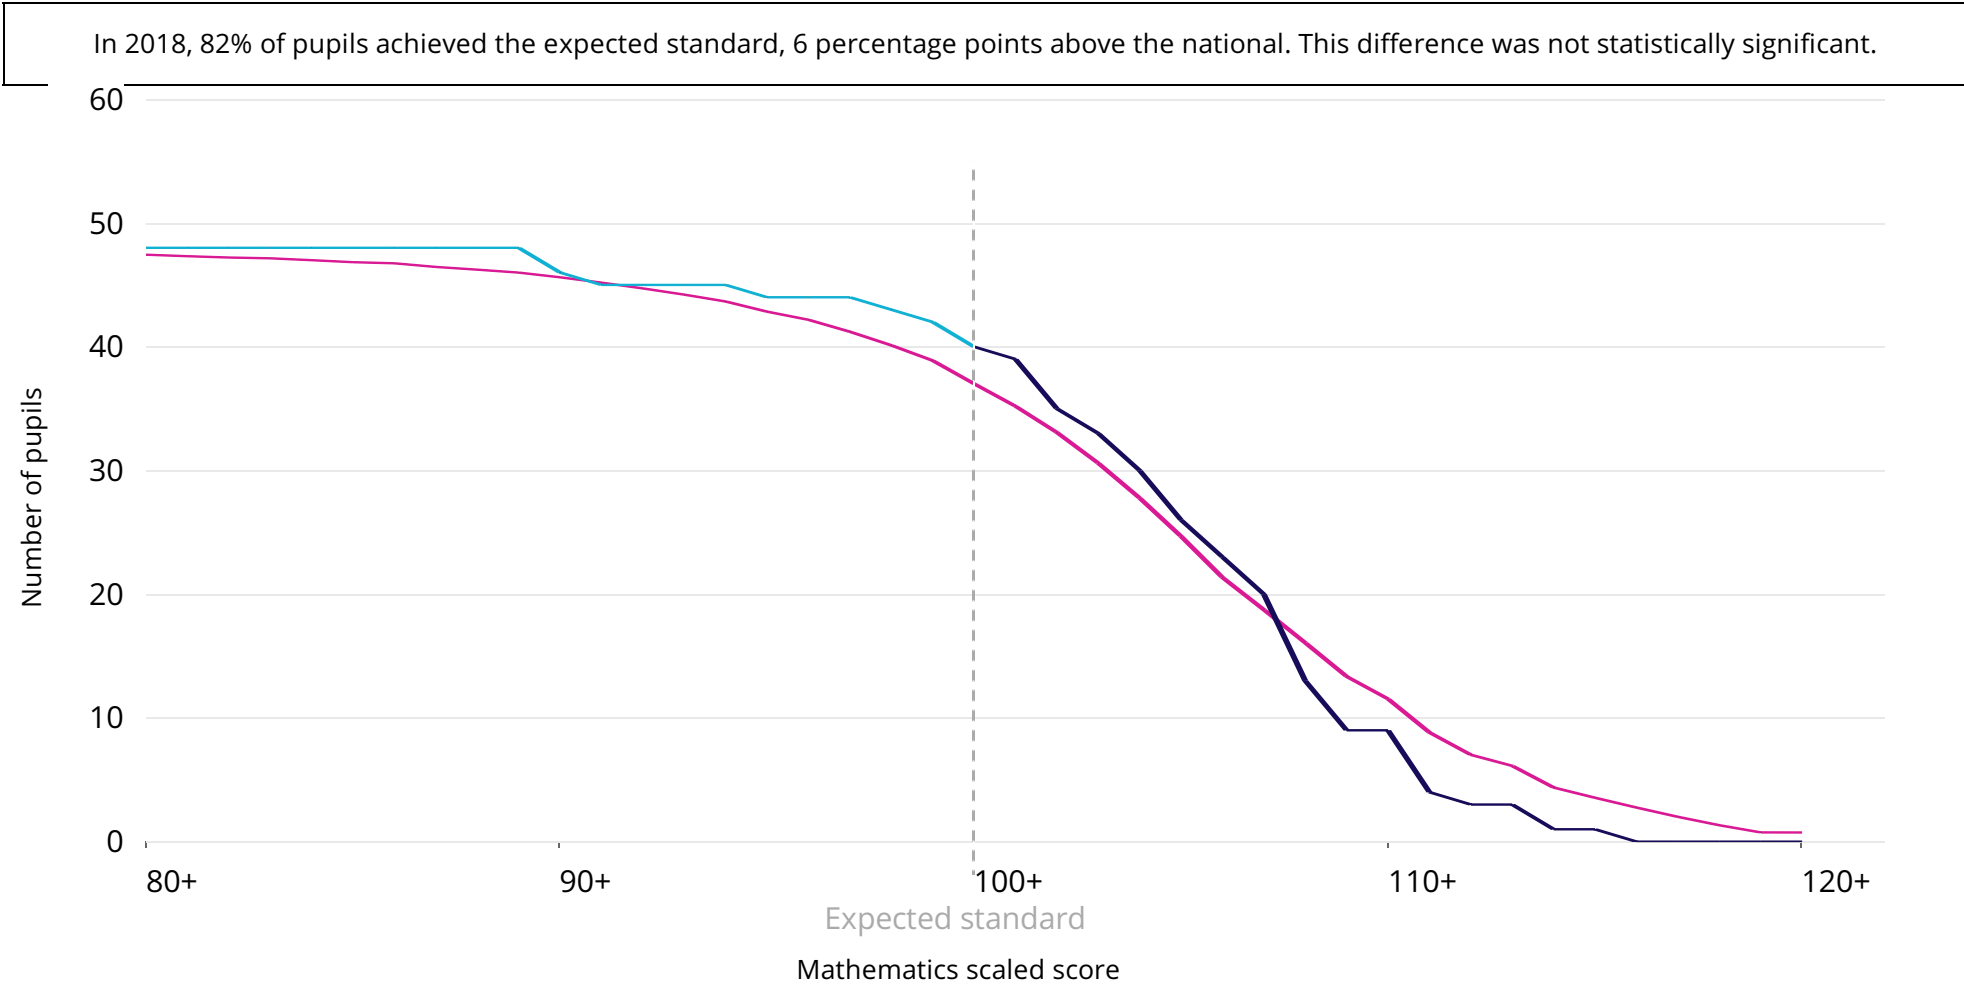

Notes: The plotted national line is the national reading percentage multiplied by the school reading attainment cohort at each average scaled score interval. For further information on methodology see www.gov.uk/government/collections/using-ofsteds-inspection-dashboard

Mathematics scaled scores 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

— National level — Not achieved expected standard — Achieved expected standard

Cohort = 49 One pupil relates to 2.0 percentage points.

Notes: The plotted national line is the national mathematics percentage multiplied by the school mathematics attainment cohort at each average scaled score interval. For further information on methodology see www.gov.uk/government/collections/using-ofsted-inspection-dashboard

Science

Note: 'Diff no' value shows the number of pupils that the difference between school and national represents, and is always rounded down to a whole number. Disadvantaged nationals are shown as all/other (other relates to pupils who are not defined as disadvantaged). For science the only outcome of the teacher assessment was whether pupils met the expected standard. For further information on methodology see www.gov.uk/government/collections/using-ofsted-inspection-dashboard

Year 1 phonics marks 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

— National level
 — Not achieved expected standard
 — Achieved expected standard

Cohort = 51 One pupil relates to 2.0 percentage points.

In 2018, 88% of pupils achieved the expected standard, 6 percentage points above the national proportion. This difference was not statistically significant.

Notes: The plotted national line is the national phonics attainment percentage at each phonics mark multiplied by the whole school phonics attainment cohort. The expected standard for phonics is 32+.
