Thursday 20th December 2.30pm—School closes

Homework

The children will receive weekly homework related to the week's learning.

Please can you ensure your child reads a minimum of three times per week and brings their reading book and record in to school everyday. This will be signed every Monday along with your child's diary.

The children will receive ten new spellings every Tuesday and be tested on these the following Tuesday.

It would be great if your child could spend time practising times tables each week to help them with their maths.

PE

Indoor PE will be on a Tuesday and outdoor PE will be on a Wednesday. Please ensure that the children have their kit every day so they are prepared if we have a change of plan.

Year 6 Autumn Term Curriculum Newsletter

Dear Parents and Carers,

Welcome back from the Summer holidays!

As we begin the new year please may we share that if you have any worries about your child's learning please pop in and see us or put a note in your child's diary.

We have shared on this newsletter lots of information about the topic and subjects your child will be learning this term to allow you to discuss their learning with them at home too. We have an extremely busy term ahead!

Please be aware that the Year 6 SATs meeting and the presentation about the Year 6 residential will be held on the same night -

Tuesday 18th September at 6.00pm in the school hall.

We look forward to working with you over the coming weeks and months.

Mrs H Noble and Mr A Taylor

Class Book: Who let the Gods out?

School trip:

The Collection Museum—Lincoln.

Maths

Number, Place value and decimals

- Place value, saying and writing numbers up to ten million
- Rounding numbers to the nearest unit, ten, hundred and thousand including decimals
