Friday 29th November-Christmas Fayre 3.30p.m.
Monday 9th December-KS1 Performance
Tuesday 10th December-Christmas Dinner
Friday 13th December-Pantomime Visit

Homework

Your child will continue to be given activities that consolidate work they have completed at school. This will be set every Friday, varying in subjects and will be collected in the following Friday.

Please may you also ensure that your child brings their reading book and record into school everyday and aim to read a minimum of three times a week.

PE

Outdoor PE will be on a Monday and Indoor PE will be on a Thursday. Please ensure that the children have their kit every day so they are prepared if we have a change of plan.

Year 2 LH Autumn Term Curriculum Newsletter

Dear Parents and Carers,

Hello and welcome back to another fun-filled autumn term! I hope that you have all had an enjoyable and restful summer. We are very excited to begin our new topic 'Where We Live'. We will be using a series of questions to explore our homes, school and town, then move on to the wider area, including the Humber Bridge and then finally, by comparing our locality with other environments. I am sure that the children will be enthused to find out more about where they live and celebrate where they come from. If anyone has any old photographs or interesting artefacts from the area that they wouldn't mind sharing, it would be greatly appreciated.

With SATS at the end of the year, Year 2 is undoubtedly a busy and challenging one but I endeavour to ensure that everyone is fully prepared and will achieve their very best. Support at home, particularly with regular reading, will be absolutely invaluable and much appreciated. If you need any tips on how to help your child please do not hesitate to ask.

Here's to a successful Year 2!

Miss Hall

Class Book:

Listen, My Bridge is So Cool! Nancy Loewen

School Trip:

Humber Bridge

Maths

In Shape, we will be learning to:

- find and describe the properties of 2D and 3D shapes, including symmetry.

In Position and Direction, we will be learning to:

- Order and arrange objects in patterns and sequences
- Talk about right angles for quarter, half and three-quarter turns (clockwise and anti-clockwise)

In Number and Place Value, we will be learning to:

- Count in 2s, 5s, 10s and 3s.
- Know how many tens and ones make up a two digit number.
- Compare and order numbers from 0-100.
- Read and write numbers to 100 in numerals and words.

Literacy

A range of non-fiction and fiction based on our class book—

Listen, My Bridge is So Cool!

The Story of the Three Billy Goats Gruff as told by the Troll

RE/ PSHCE

We will be completing work on the topic of 'What does it mean to Belong?'

Music

Locality Songs

PE

Indoor- Gymnastics and Dance

Science

Materials and their Properties

Computing

We will explore how to use computing for coding and online safety.

Project: Where can a bridge take us?

Where do we live?

What can we see from our school?

Where is Barton-Upon-Humber?

What is Barton like?

What was Barton like in the past?

How can we cross the river?

When was the Humber Bridge made and why?

How are bridges made?

Where can we find a bridge like ours?
