6th March—Open Morning
24th March—Healthy Me Day
2nd April—Easter Service at Church
3rd April—Break Up at 2.30pm

Homework

Your child will continue to be given activities that consolidate work they have completed at school. This will be set every Friday, varying in subjects and will be collected in the following Friday.

Please may you also ensure that your child brings their reading book and record into school everyday and aim to read a minimum of three times a week.

PE

Outdoor PE will be on a Monday and Indoor PE will be on a Thursday. Please ensure that the children have their kit every day so they are prepared if we have a change of plan.

Year 2 LH Spring Term Curriculum Newsletter

Dear Parents and Carers,

Happy New Year! I hope you have all enjoyed an enjoyable festive holiday.

We are really excited to begin our new Famous Faces project this half term. We will be specifically looking at the famous author Oliver Jeffers and learning some of his lovely stories.

In science, we will learn about a range of famous scientists and discover their impact. Being such a class of animal lovers, I'm sure the children will thoroughly enjoy learning about animals and habitats too.

We are hoping this term will be really exciting with lots of fun learning opportunities!

Miss Hall

Class Book:

Lost and Found By Oliver Jeffers

School Trip:

T.B.C.

Maths

In Multiplication and Division, we will be learning to:

- Recall the multiplication and division facts from the 2s, 5s and 10 times tables.
- Recognise odd and even numbers.
- Solve multiplication and division word problems.

In Fractions, we will be learning to:

- Find, name and write fractions for length, shape and objects ($\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$, $\frac{3}{4}$).
- Recognise equivalent fractions.

In Measurement, we will be learning to:

- Use the right units to estimate and measure length, mass, temperature and capacity.
- Recognise and use £1 and pence.
- Tell and write the time to five minutes, including quarter past and to the hour.
- Know the number of minutes in an hour and the number of hours in a day.

In Statistics, we will be learning to:

- Talk about and create simple pictograms, tally charts, block diagrams and tables.

RE/ PSHCE

We will be completing work on the topic of 'What does it mean to Believe?'

Music

We will be following the new Charanga music scheme.

PE

Gym, Dance and Games.

Science

Animals including Humans
Living Things in their Habitats

Computing

Spreadsheets and Questioning

Literacy

A range of non-fiction and fiction based on our class book—
Lost and Found

Project: Why Be Famous?

- Who's famous to me?
- How has my life changed?
- Who are our famous neighbours?
 - Who are we most proud of?
- Who was the first man on Mount Everest?
- Which scientists are the most famous?
- What events do we commemorate?
