6th March—Open Morning  
24th March—Healthy Me Day  
2nd April—Easter Service at Church  
3rd April—Break Up at 2.30pm

### Homework

Your child will continue to be given activities that consolidate work they have completed at school. This will be set every Friday, varying in subjects and will be collected in the following Friday.

Please may you also ensure that your child brings their reading book and record into school everyday and aim to read a minimum of three times a week. Your child will receive six spellings each week and these will be tested every Friday.

### PE

Outdoor PE will be on a Monday and Indoor PE will be on a Thursday. Please ensure that the children have their kit every day so they are prepared if we have a change of plan.

## Year 2 SW Spring Term Curriculum Newsletter

Dear Parents and Carers,

Happy New Year and welcome back to the Spring term of Year 2. I hope you have all had a fabulous, fun holiday! The children have returned to school this week really excited.

We had a great, successful and busy Autumn and this term's topic will see us taken on a 'famous' learning journey. We have been welcomed by our very own penguin into our Winter Wonderland, which is our passport to our countless adventures we will have.

I am so proud with how your children have adapted to Year 2, taking the responsibility of being the oldest children in the Key Stage and with the way they are tackling the increasingly challenging curriculum very well indeed.

I'm sure the children with how they work superbly together, supporting each other, will continue to reach for the stars and achieve the very best they can be.

Thank you, as always for all your continuing support,

Mrs White

### Class Book:

Lost and Found By Oliver Jeffers

### School Trip:

T.B.C.

### Maths

In Multiplication and Division, we will be learning to:

- recall the multiplication and division facts from the 2s, 5s and 10 times tables.
- recognise odd and even numbers.
- solve multiplication and division word problems.

In Fractions, we will be learning to:

- find, name and write fractions for length, shape and objects (1/3, 1/4, 2/4, 3/4).
- recognise equivalent fractions.

In Measurement, we will be learning to:

- use the right units to estimate and measure length, mass, temperature and capacity.
- recognise and use £1 and pence.
- tell and write the time to five minutes, including quarter past and to the hour.
- know the number of minutes in an hour and the number of hours in a day.

In Statistics, we will be learning to:

- talk about and create simple pictograms, tally charts, block diagrams and tables.

### RE/ PSHCE

We will be completing work on the topic of 'What does it mean to Believe?'

### Music

We will be following the new School Charanga Music Scheme.

### PE

Gym, Dance and Games.

### Science

Animals including Humans  
Living Things in their Habitats

### Computing

Effective Searching

### Literacy

A range of non-fiction and fiction based on our class book—  
Lost and Found

### Project: Why Be Famous?

- Who's famous to me?
- How has my life changed?
- Who are our famous neighbours?
  - Who are we most proud of?
- Who was the first man on Mount Everest?
- Which Scientists are the most famous?
- What events do we commemorate?
